

# CORPORATE PACKING DAY

Friday 12 December 2025

**Basket Brigade**  
BRISBANE

## Are you looking for ideas for your 2025 Christmas function?

Getting your company involved within the local community is a great way to boost morale and to reinforce the core goals and values of your company.

Giving your employees time to participate in volunteer events during work hours is a win-win for the whole business. Not only does it give everyone the opportunity to interact outside of the office, but it also gives your employees the satisfaction of giving back to the community they work within.

## Look no further....

Our Corporate Packing Day will take place on Friday 12 December 2025 at John Paul College in Daisy Hill. The program invites corporate teams/workplaces to our packing location to help us get a head start and lend a helping hand with the final preparations for our Community Volunteer Packing Weekend on 13 and 14 December.

Your teams will help with setting up the venue and then sorting and packing tons of food. Then wrapping hundreds of presents along with books and stocking fillers to ensure that our boxes of gifts are ready to be packed and delivered with all of the food to those in need right here in Brisbane over the packing weekend.

The experience provides a fun and festive team building activity, while making a difference to the lives of others in our very own community.

## What does it cost?

We place a small fee on our team volunteering opportunities to help raise vital funds for additional food, gifts and administration fees that go hand in hand in making our packing weekend a success. The cost per volunteer is \$50, this amount includes GST. Tickets for Corporate Packing Day are limited per session.

## What activities are included?
